SETTING THE COURSE FOR SUCCESS
on the Slopes, on the Trails, and in Life.

OUR MISSION & VISION

Grand Targhee Ski and Snowboard Foundation's (GTSSF) mission is to provide affordable ski and snowboard programs for young athletes to meet their individual potential for excellence through education and opportunity for competition.

Our vision is to inspire future stewards of the mountains to pursue personal development and engagement in the community by providing sustainable, affordable access to all athletes and their families.

Foundation Wrap-up

Another fantastic season of snow sports is in the books and over here at the Grand Targhee Ski and Snowboard Foundation, we're so proud of all our athletes and the progression they've made. As some of you will have noticed, we've changed our name from the Teton Valley Ski Education Foundation to the Grand Targhee Ski and Snowboard Foundation. This change was a natural progression for our organization as we align ourselves further with our key partner, Grand Targhee Resort. The shift in naming brings many opportunities for both parties with further access to resources and a stronger sense of place, whether our athletes are at home or away. We also wanted to make sure all of our athletes and disciplines were represented in our new name. We couldn't be more thrilled to fly the Grand Targhee flag and look forward to many more years of setting the course for success on the slopes, trails and in life for all our athletes.

Quotes from the kids

"GTSSEF Academy was a sick way to get out on the hill with my Coaches mid week, get more time training, and have a blast with my team." ~ **Willow Newton (Snowboard)**

"GTSSF helped me improve my technique this winter and I had a lot of fun with my coaches and friends on the team. Being able to lap Bobcat and Reliable on academy days was super fun!" ~ **Jack Beck (Freeride)**

"The coaches are really nice, they make everything fun and they can help you accomplish your goals." ~ **Greta Verbeten (XC Devo)**

"Being a part of the National Freeride team has been awesome. Not only did I learn amazing skills and new tricks, I met new teammates and friends. And I had so much support from my awesome coaches as I increased my level of skill in Freeride competitions." ~ **Ava Evans**
